Shangri-La Tea Selection

ENGLISH BREAKFAST

33

The original English Breakfast tea was a blend of Ceylon and Indian Assam teas. This rich English Breakfast tea is crafted to provide a wholesome, strong and full-bodied cup with a malty aftertaste that finishes with a bitter twinge of tannin. It has a rich, sweet and nutty smell, with an air of dryness.

DARJEELING

33

Darjeeling teas originate in the foothills of the Himalayas. The brew is a full-bodied one with a hint of muscatel and a sweet lingering champagne aftertaste.

CHAMOMILE

33

A classic herbal remedy that traces its roots back to the days of ancient Greece and Rome, Chamomile flowers have a pungent, earthy quality, producing a light and mellow taste. This is a caffeine-free infusion.

PEPPERMINT

33

Peppermint is an herbal infusion with a dominant yet refreshingly soothing mint taste that lingers in the mouth. A perfect after-dinner beverage, it is a caffeine-free alternative offering a host of health benefits such as aiding digestion.

MASALA CHAI

33

A compelling mix of a fragrant black tea blended with the finest Ceylon spices. This is a medium-bodied cup that has a warm and delicate fragrance and a strong spicy flavour. Masala Chai originated in the Indian subcontinent thousands of years ago and comprises four main components: spices, milk, sweetener and tea.

ARABIAN NIGHTS

33

This whole leaf tea originates from the south of Sri Lanka and has a dark yellow-brown hue. The strong liquor has a malty essence with a subtle hint of caramel. This robust tea is a favourite among West Asian tea aficionados.

JASMINE TEA

33

Jasmine tea is a mellow-tasting tea of the floral tea genus. It has gone through a multiple scenting process, an ancient art where the natural oils of the fresh flower are infused into the tea. Thus, the sweet fragrance of Jasmine blossoms permeates the bright yellowish green tea.

GREEN TEA (BILUO) 33

Biluo is a renowned green tea from the Dongting mountain region near Lake Tai in Jiangsu, China. It is known for its mild taste and floral aroma.

TIE GUAN YIN (WESTERN) 33

Tie Guan Yin is thought to have its origins in 18th century China. The tea has a resplendent golden colour and its flavour imparts hints of aromatic orchid. It has a rich texture and velvety finish, delivering a sweet aftertaste. It is known for its remarkable ability to quench the thirst as well as warm the body.

GONG MEI 33

Naturally sun-dried, delicate and sweet, Gong Mei is a very special Chinese tea. Its name comes from the fine silvery-white hairs on the unopened buds that give the plant a whitish appearance. The tea is made with tender, unfurled leaves and buds that are bright white. The tea is light in colour with a soft and subtle flavour.

PU ER (RIPE LOOSE LEAF) 33

When brewed, this tea infusion is bright with a mellow and sweet taste. The tea variety used is Yunnan Daye Qiaoshu Sunchao Tea (sun- dried), which is refined by traditional techniques. After more than 10 years of natural ageing, the tea is smooth and mellow. Drinking Pu er is said to offer medicinal benefits, such as lowering cholesterol levels.

HIMALAYAN, SHANGRI-LA ESTATE 33

These teas are cultivated on the Nepal side the Himalayas at an altitude of 7,000 feet. This fertile mountain landscape results in a delightfully light and bright cup of tea with a golden tinge. The tea has a pleasingly fruity taste with a slight bittersweet finish, reminiscent of teas grown in this region. This aromatic tea comes from a tea garden named Shangri-La.

SHANGRI-LA SIGNATURE BLEND 33

The Shangri-La Signature Blend 1 is a classic Ceylon tea from the Waltrim tea garden. It is a Dimbula regional tea which helped propel Ceylon tea into the global spotlight during the British colonial era. The tea emits a strong scent of roses that blossom in the morning sunlight. It is brisk and full-flavoured with a fine golden orange to pinkish tone.

LOST HORIZON (SPECIAL BLEND)

33

This semi-leafy tea is a skilful blend of tippy teas from two origins, forming a unique appearance and taste. You will immediately sense the strong, malty flavour of the lower elevation Ceylon tea and then experience the contrasting sweet floral taste of the high range Himalayan tea. This tea should be consumed straight to best enjoy its complete flavour profile.

LAPSANG SOUCHONG

33

This quintessential Chinese black tea comes from Tong Mu Mountain in the Wuyi Mountains, which is the area reputed to be the 'birthplace' of tea. These pristine surroundings give our Souchong a distinct aroma and flavour, with just a hint of smokiness in the aftertaste.

ASSAM

33

Assam teas really reach their peak during the second harvest of the year in late spring. Our high-quality Assam 'second flush' tea is from Jamguri Estate, situated south of the sacred Brahmaputra river in the Golaghat region. This second flush tea yields a chestnut colour brew with full-bodied smoothness and a malty long-lasting taste.
